Dear parents, carers, students and community friends,

The process to appoint a new principal to Colonel Light Gardens Primary School involved a panel consisting of a Governing Council representative, a staff AEU representative, a peer principal and myself. The panel considered applications and conducted interviews. I am very pleased to announce that the new principal is Sue Woollard. Sue is an experienced and well respected principal who is looking forward to working with the students, parents and staff of Colonel Light Gardens.

Michele Spencer, Assistant Regional Director, DECD

Staff at CLGPS welcome Sue and look forward to working with her from early next term.

As we near the end of this term students and staff are very busy with classroom learning activities as well as being involved in a range of other valuable learning experiences. Our 3 way interviews are in full swing and students are keen to share their learning. Staff have met and planned for ongoing sharing of their work with staff from other schools in our cluster in Maths & the Australian Curriculum. The ideas being gathered and shared will enhance classroom programs and build stronger connections between our schools.

Of course students and staff are now gearing up for our School Sports Day on September 20th. Team captains are preparing the team chants and practice begins in earnest this week. Please come along if you can and support your child's team. We are also looking for helpers and donations for our Cake stall on Sports Day. Check the canteen notice for details.

Class Placement for 2013

Parents are invited to write to the Principal regarding the educational needs of their child(ren) that are to be considered in the class placement process to be undertaken next term for 2013. Parents are asked to address specific learning issues related to each individual child and not to include specific teacher requests or year level structures.

For example, parents may describe the child's areas of interest or need for further development to consolidate learning. Reference could be made to a child's preferred classroom environment or social needs in a broad sense. Information that 'adds value' to the existing information we have about each child is what we are seeking.

This information should be forwarded in writing to the **Principal, Wayne Hunt**, by no later than **Friday, September 21st, 2012**. This information will be given to the teachers to consider in their decision making in the placement process.

After a thorough process, taking in information from a variety of sources, student placement will be communicated to parents and students either at the end of the school year or early in the new year, depending on the quality and timeliness of enrolment information forwarded to the school. The Principal has the responsibility for this process and for the final decisions made.

Quiz Night

What a fun night was had by all. Our Fundraising committee put in an amazing effort, gathering a fantastic array of donated prizes and organising a successful night. It is certainly becoming an event not to be missed. At this point the fundraising committee has almost reached its 2012 target and are to be congratulated for their work on behalf of all of the children at the school. Special thanks must go to Kellie Horton who chairs the committee and provides boundless energy, the committee members for their tireless work and Shane from our staff who put together the quiz and games that both challenged and entertained us. Thank you also to the parents and staff who attended the evening and whose generosity made it so successful. Also special thanks to the many local businesses who donated the prizes for the night. Your sponsorship is gratefully acknowledged.

Any questions, ask your coach or Sue (0438) 704 266 or Teresa (0417) 854 639.

Canteen

Sports Day Lunch order envelopes were distributed this week. All family members (mums and dads too) may order lunch.

SUBWAY

Six Inch Sub \$5.30

Foot Long Sub \$8.30

Salad Plate \$8.30

ORDERS MUST BE RETURNED TO CANTEEN BEFORE 12 NOON WEDNESDAY 12TH SEPT

Orders received after this cut off will be returned to you. Unfortunately strict cut off times need to be adhered to due to the large amount of work required to collate and organise arrangements.

Please also note:

- 1) One envelope per person
- 2) correct money to be enclosed, no change will be given
- 3) all orders must go back to your child's classroom for collection.

I still need volunteers for the cake and drinks stall, if you can spare 30 minutes then everyone will still have time to see their children compete. Many more donations of cakes / biscuits / slices are required if you can assist it would be very much appreciated. This is the Canteen's only fundraising event of the year which contributes to its viability. Thankyou to all commitments already received, a roster will be displayed in the canteen and a phone call to confirm.
