Our target for 2012 is to purchase a portable stage for all students at CLGPS to use.

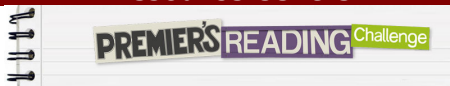

## Grounds Committee

Beautiful sunny weather greeted the many families who so generously donated a couple of hours of their Sunday afternoon to the first school Working Bee for 2012. Families devoted themselves to a particular section of the yard and got stuck into pruning, weeding, raking, sweeping, cleaning and tidying and by the end of the afternoon the entire school yard looked positively spick and span. A huge thank you to all the families who participated, and particular thanks to the two year 4 boys who volunteered their time on their own, as well as all the other students who attended with their families and showed such positive school pride. As one boy commented on the day: "Before, there was stuff on the ground and it was easy to slip over but now it's safer and cleaner for us to play" and this from a parent: "To those who weeded in the lane near the Doolette building a big thank you. It was great to park and drop off without the weeds in the way." Well done everyone for your efforts, and let's do it again next term! Oh, and if anyone happened to go home with an extra rake and broom, they may be Anna's so please let her know via email: [smit1186@gmail.com](mailto:smit1186@gmail.com)

## Ignite Program

Parents of year 7 students – are you interested in the IGNITE program? Aberfoyle Park High School is the only DECD Special Interest School in the southern suburbs that offers an Ignite program for Gifted and Talented students. This program provides interaction with likeminded students in a safe, nurturing environment where they can achieve their personal best. How do I know if my child is gifted? Gifted children possess an outstanding degree of demonstrated ability or potential in one or more of the following areas: General intelligence, specific academic areas, visual and performing arts, psychomotor ability, leadership, creative thinking, interpersonal and intrapersonal skills. Current year 7 students are encouraged to apply for entry to the 2013 program. Selection is based on performance in the ACER assessment, which will be held on Friday 11<sup>th</sup> May 2012 at Aberfoyle Park High School. Application forms can be downloaded from [www.aphs.sa.edu.au](http://www.aphs.sa.edu.au) and are also available from Aberfoyle Park High School on 8270 4455
