Dear parents, carers, students and community friends,

I often refer to the third term as our 'premiership quarter'. Teachers and students have worked together to establish class learning expectations; teachers know their students and have put into place the possible accommodations to support success. In Term 3 teachers stretch the challenge, involving students in deeper thinking.

As we walk around the school and visit classrooms on a daily basis, the leadership team is impressed by the high level of teacher expectations and student engagement and the broad range of learning activities in which our students are involved. The students have the opportunity to make choices and reflect on success. There are also plenty of examples of the explicit teaching of skills and practise of fluency. Many students are now working on units of inquiry from the history, geography and science curriculum areas, researching in pairs or small groups in response to questions they have posed themselves.

Great group skills!

Last week our older classes participated in the 'Lab on Legs' science program. This is a travelling science laboratory that moves to schools across the state and engages students in conducting experiments and solving scientific problems. After two days of working with our students the presenter commented that he was 'awestruck' by the excellent group learning skills they demonstrated. Not just by their ability to get along, but also by their ability to work collaboratively and inclusively to solve problems.

Independence Day

Last Friday the four Reception classes in Doolette held their first Independence Day for the year. This is when our Reception students wave their parents goodbye at the door to Doolette and take responsibility for organising themselves for their day. It was such a great success that the Reception teachers have declared every Friday an Independence Day!

In the Press

Did you notice the mentions of our school in the last issue of the Mitcham Council News? The Mitcham Council thanked our Student Representative Council for their part in designing the playground and for raising \$10,000 toward the cost. Our Lighthouse 40 mentoring project was also included, asking for interested people to become mentors. We have already attracted three new mentors as a result!

FUNDRAISING COMMITTEE

Unfortunately the Quiz Night due to occur on September 6th has been **CANCELLED** for this year. We simply don't have enough volunteers to do the work involved in running the event. If you are disappointed, perhaps you could consider helping out towards next year's Quiz Night?

We have collected a number of great prizes which we will be using in a Christmas Raffle, to be drawn at the End of Year concert. Other fundraising plans are the Father's Day stall and a Ladies Night. Check out the barometer on the notice board and follow the fundraising success!

Save the date! Friday 24th October – LADIES NIGHT. More details to follow.

CONGRATULATIONS

Congratulations to Connor S, who recently competed in the Australian Under 12 in-line hockey team at the Oceania Championships in New Zealand. He won a gold medal when his team came first. Well done, Connor!

Book Week will be in Week 5 – the 18th to 22nd of August. This year's theme is 'Connect to Reading – Reading to Connect'.

There will be a whole school **Book Week Dress Up Parade** on **Friday August 22nd** at **10.15am** on the basketball court outside the Resource Centre. Students, put on your thinking caps and dig deep in your imagination, - you are invited to come to the parade dressed as your favourite book character.

I am looking forward to seeing the variety of characters on the day.

Valerie Kearton, Teacher Librarian

ORIENTEERING

Did you know that our school has been mapped for orienteering purposes and that courses have been made to follow?

Students from Years 3-7 have the opportunity to participate in the Orienteering School Relay Championships on 4th September.

To find out more, contact Des Norman or Kim Boothey for a handout about entering this event.

Want to learn more about this fun navigation sport and events happening? Look at the Orienteering SA website for more details. There is an event being held on August 16th Saturday pm at Athelstone close to where the relays are to be held.

CANTEEN

Thank you for your support with the special meal this week – we hope it was enjoyable. Thank you to my helpers for this special – Ruzelle, Kelly G, Kelly B, Shelly, Melissa, Cath, Nina and Libby.

Just a reminder all lunch orders **must** have a lunch bag please. You can buy them in bulk (5c each) from the canteen, or plain brown paper bags from the supermarket. Money must be wrapped in paper or in a zip-lock plastic bag (no lost money!) and the plastic bag will be returned with the lunch order, ready for next time!

Hot Chocolate is available all day for \$1.20 – a great option during these colder days.

Sushi Tuesday is very popular! All sushi orders close at **9am Tuesday mornings**. Please make sure you place your sushi order in the special order box – found in the canteen, **not** in the classroom order box. It is always out and ready to receive advanced orders.

Helen Parsons, Canteen Manager

SAPSASA

Our SAPSASA Basketball teams enjoyed the recent carnival.

They are to be congratulated on their excellent teamwork and enthusiastic participation.

They look like they're having fun!
