

Welcome

to

**Colonel Light Gardens
Primary School**

History Trail

With your smartphone or internet enabled device, download a QR scanner.

We use inigma

Begin the trail at point number 1 marked on the map inside this brochure. A blue display case is located here.

In the case you will see a portrait of the person after whom the building is named. When you scan the QR code in the case, you will be directed to a Youtube clip where our students describe this person and their significance to our local area.

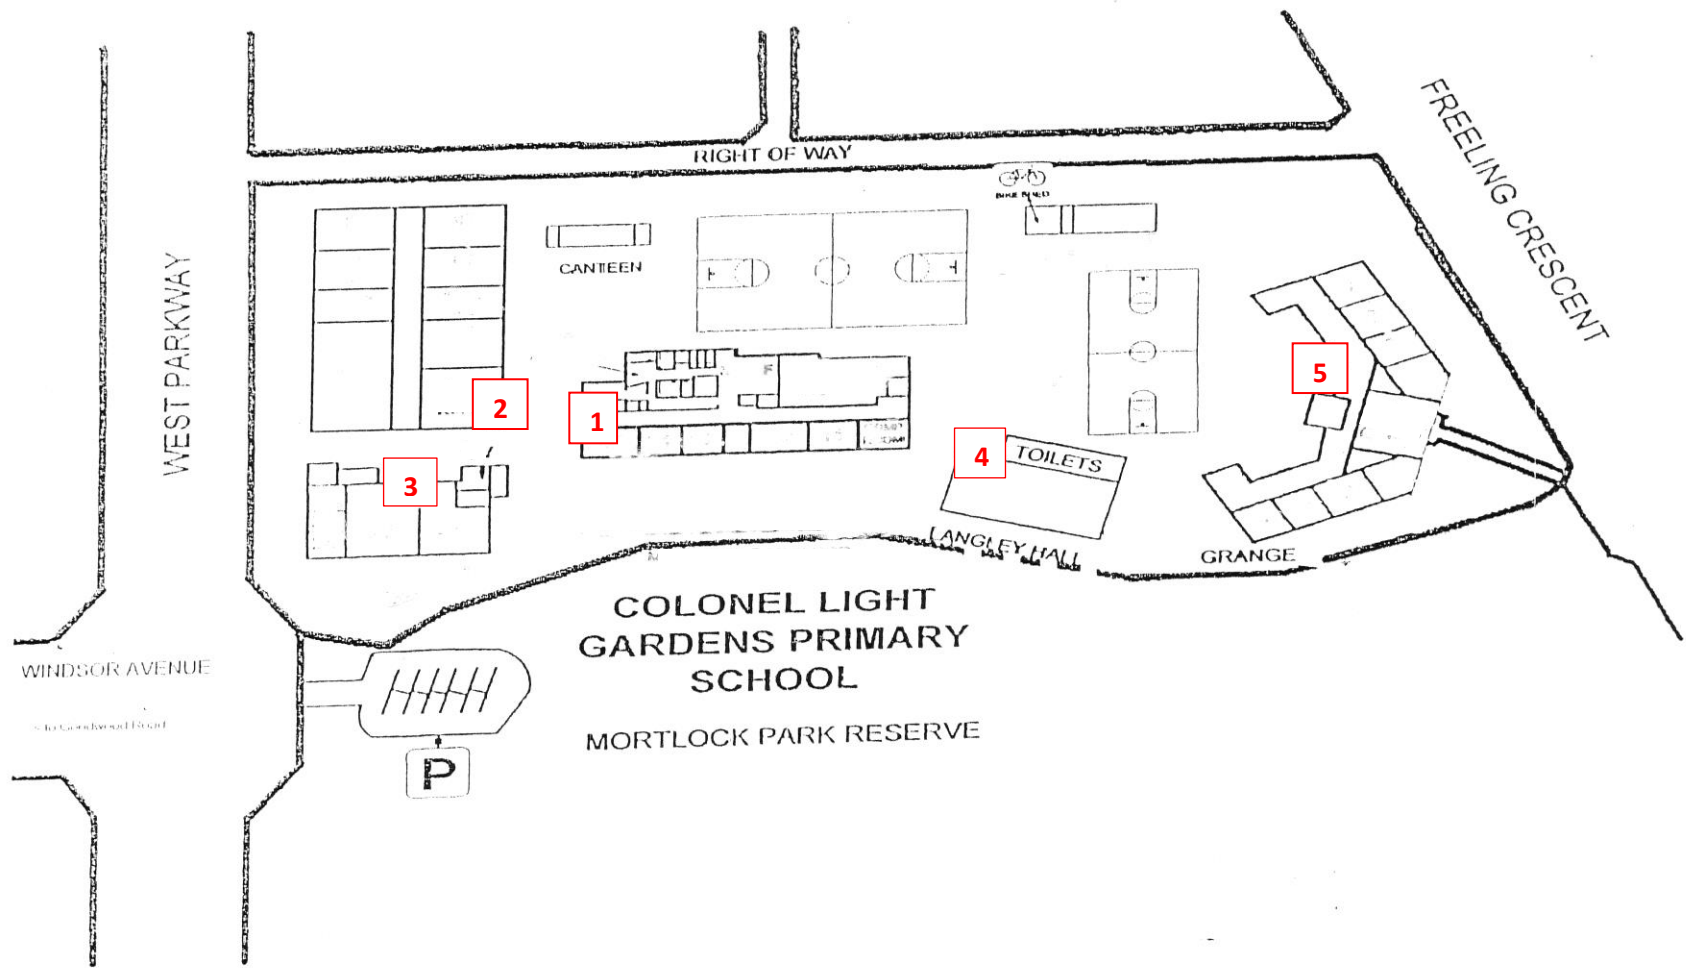

Made possible with
funding from

the

City of Mitcham
through the
