

12/8/16

Digital Technology Parent and Child workshop
Tuesday 6th September 6.30-8pm

Last year, we held a very well attended parent and child workshop on coding and the new Digital Technologies curriculum. This year we would like parents to be able to experience more than that – some examples of how we use digital technology across the curriculum. Each child will need an adult so that you can work together in the workshops. The workshops are 30 minutes and 60 minutes in length. If signing up for a 30 minute workshop, choose two different options. If signing up for a 60 minute workshop, you will only participate in the one workshop. However, please nominate 2 extra workshops that you and your child are interested in as some workshops will definitely be oversubscribed so I will need to do a “first in best dressed” allocation.

Please EMAIL me your completed form ASAP (page 2) If you don't have email, please ask your child to bring me your completed form ASAP.

Workshop choices

Length	Workshop	Teachers
30 mins	Unplugged coding R-2	Sarah Grant and Veronica Scicchitano
30 mins	Beebots R-3	Liz Lohse
30 mins	Puppet pals R-7	Steph Coutts and Kat Butler
30 mins	Explain Everything Y4-7	Chris Braybrook
30 mins	Coding with Scratch via code.org Y3-7	Rick Bennallack
60 mins	Writers' Workshop (Night zookeeper, storybird and book creator) Y1-4	Rachel Palmer and Nancy Elder
60 mins	iMovie and green screens 4-7	Louisa Guest
60 mins	Spheros Y3-7	Ashley Blight and Renae Simmons
60 mins	Lego Mindstorms Y5-7	Rod and Ling (parent volunteers)

A note will be sent home before the evening to say which workshops you and your child are successfully enrolled in.

If you have any questions, please email me Louisa.guest741@schools.sa.edu.au or give me a call on 8276 1523
