## ACQUAINTANCE NIGHT

I would like to thank all those who were able to attend last night to meet and listen to your child's class teacher/s. It is hoped through the conversations and handout provided you have gained useful insight into the teaching and learning program as well as classroom plans and expectations for the year ahead. If you were unable to attend then a copy of the handout will be sent home. If you would like to speak in more depth about any aspect of the school curriculum, we encourage you to arrange a meeting with your child's teacher.

## RECEPTION - YEAR 2 CLASS PARENT REPRESENTATIVE

On Friday March 17<sup>th</sup> at 9:00am in the Resource Centre, we will be holding our first meeting for class parent representatives in each of our Reception to year 2 classes. The purpose of the meeting will be to discuss the role of a class parent and provide the opportunity to discuss any school policies, procedures and initiatives. Although we are asking every Reception to year 2 class to have at least 1 'official' class parent, everyone is welcome. Please come along.

## RAISING A COMPLAINT OR CONCERN

At Colonel Light Gardens Primary School we believe that positive relationships within the school community give children a greater chance of having a successful educational experience. It is important students, staff and parents work together in solving any issue or concern that may arise. In the event of a grievance or concern the following procedures should be used.

There may be a time when you have a question or concern about the curriculum, the learning or something which happened at school that you want to know more about. You may also wish to seek clarification about a certain school policy and/or procedure. So who do you contact or speak to?

The Department of Education and Child Development has produced a new brochure that will soon be added to our website called **'Raising a Complaint' – Working together to resolve complaints in DECD schools**. On the back of the brochure we have been able to add the following CLG specific information that you may find useful.

If there is a concern:

- Contact the teacher via phone, email, diary note or when the room is open to arrange an appropriate time to speak or communicate about the grievance.
- When you meet or email (please allow 48 hours for a response), outline what you consider to be the issue and allow time for the matter to be addressed.
- If the grievance is not addressed to your satisfaction, please contact the front office to arrange a time to meet a member of the school's leadership team responsible for the class or specialist area. These are:
  - **Jodie Cunningham - Assistant Principal**  
Rooms 01, 02, 03, 04, 13, 14, 15
  - **Ashley Blight - Assistant Principal**  
Rooms 1, 2, 3, 4, 8, 9
  - **Wayne Hunt - Deputy Principal**  
Rooms 22, 23, 24, 17, 18, 19 plus Music, Special Education and English as an Additional Language or Dialect (EALD)
  - **Rick Bennallack - Principal**  
Rooms 11, 12, 16, 20, 21 plus PE, Art, Japanese and all support staff and school policy questions.
- If required, follow up meetings can be arranged with the Principal.

We are committed to working together in partnership to resolve concerns and make a difference.

### ANNUAL GENERAL MEETING (AGM)

At 7:00pm on **Monday February 27<sup>th</sup>**, the school will be holding its AGM in the staff room. All interested parents, relatives and community members are invited to come along and hear brief reports about the progress of our school. There will be an opportunity to ask any questions you may have. The meeting should only last for 30 minutes. Included in this newsletter is a page of information about the different ways parents can be involved in the governance of the school through participation in the Governing Council and/or one of the council's subcommittees. It has been great to receive some new and returning nominations. I would **encourage** anyone interested to fill in the form and return it to school. This will be the last opportunity before the night to nominate.

## INTRODUCING ALEX VAN DEN BERG

Hello my name is Alex van den Berg and I am very excited to be joining such an enthusiastic and vibrant community here at Colonel Light Gardens Primary School in Room 2 teaching a year 5/6 class.

Previous to this year I have been teaching on the Yorke Peninsula in Kadina, South Australia. Although I loved the beach and waking up to the sound of waves, I am very happy to be home with my family as I grew up in the Adelaide Hills. I like playing Netball at the local club and doing activities outside to enjoy the sunshine and fresh air, like hiking and exploring National Parks.

As a teacher I create independent learners, becoming effective problem solvers for the future. My classroom learning is very interactive and 'hands on' creating vibrancy and always lots of colour within the classroom. Our class has had a great start to the year and is very settled. I look forward to a great year ahead.

## AFTER HOURS SPORTS NEWS

# After Hours Sports

### SOFTBALL - URGENT HELP NEEDED!

At the moment we have 3 softball teams but only 2 coaches. Our B2 team (Year 3-5) is urgently in need of a coach. **If no parent comes forward we will unfortunately have to withdraw the team.** While coaching can be a daunting prospect, if you have not had any experience, there is the opportunity to train alongside one of the other teams and receive support from other parents. At this junior level there is more emphasis on just having a go. If anyone (or two) can see their way clear to giving the girls the chance to play please let **Anna (Mob: 0451 897 696)** know asap. We will be withdrawing the team just for this week but if no-one can help out we will have no choice but to withdraw it completely. Thank You for considering what you can do to help.

### AFTER HOURS WINTER SPORTS

Soccer, Football, and Netball are gearing up for their winter seasons. Students will be able to be registered for these sports from the beginning of Week 4. Registrations will be open for a 3 week period only so that Coordinators have time to organise teams. All players must be registered including those who put in an expression of interest last year. Please discuss with your child and register as early as you can. Parent volunteers for coaching and as team managers are also needed for teams to be entered and can be indicated on the registration form. The URL to register is:

## RESOURCE CENTRE NEWS

### WELCOME TO THE WONDER GARDEN!

To complement our whole school inquiry focus, we have transformed our library into a *Wonder Garden* for our children to enjoy and explore. We have loved having all classes visit for orientation and the kid's appetite for books has been large, with around 3,215 books being borrowed in the first 11 days.

### PREMIER'S READING CHALLENGE

The Premier's Reading Challenge has also launched, and I'm delighted to congratulate **Bastian and Sophie** from Room 9 on being the first CLG readers to finish the challenge. Our PRC ethos is that we encourage all students to read 12 books **for pleasure** - 8 from the list and 4 free choice. This year when students finish the challenge they will write the library a post card, with a photograph or picture of where they "escape to", to tie in with the 2017 Book Week theme *Escape to Everywhere*. Bastian and Sophie have done a great job of their postcards!

### BREAKFAST BOOK CLUB

Breakfast book club is returning again in 2017! If you are looking to nurture a love of books and reading with your child, then our Breakfast book club is for you. As a group we choose a book to share with our children at home and then do a fun art/craft/creative activity related to the book to share at Book Club.

We meet twice a term (once in Term 1) on an agreed Friday from 7.45-8.30. Each family brings a small plate of food to share, Simone supplies breakfast juice and we have a wonderful time sharing our responses to books. Our club was a huge success in 2016 and we all loved it. If you'd like to join us this year, please email Simone ([simone.petherick915@schools.sa.edu.au](mailto:simone.petherick915@schools.sa.edu.au)) or pop into the library, we'd love to have you in our club.

## PASTORAL SUPPORT

Hello my name is **Pamela Hansen** and I am the Pastoral Care Worker (student wellbeing) at Colonel Light Gardens Primary School. My role here at CLGPS is to support and work alongside students, families and staff to develop resilience that builds a confidence and awareness around what healthy well-being looks like. I am based in the Reade building and my working hours are from 8am to 4pm on Thursdays. If you see me in the yard please don't hesitate to come up and say hello. If you would like to come and see me you can either let your teacher know and families can make an appointment through the front office.

I would like to share a little about myself and the work I do at CLGPS. I am a mother, artist, keen gardener and am a Port Power supporter (*Sorry Crows fans*). I live in the Adelaide hills surrounded by beautiful nature that creates a peaceful environment to relax and be creative in. Our family has 2 dogs and we also co-exist with all the other animals that live on our land too. It is very special.

I have been working at CLGPS now for over 1 year and have really enjoyed being part of the school and the school community. It feels like I have been here much longer, as I have been able to connect and engage with many students, families and the staff of the school, which has given me a strong sense of belonging. Having a sense of belonging is instrumental in the development of growing up and the development of a positive well-being. Feeling part of something invites confidence to play with self esteem.

At the beginning of this year, I have started to spend some time in the reception rooms at drop off, where our young students are trying to make sense of how to be in this new environment. Spending time with these students, hearing their stories, concerns and playing helps us all to find our safe place to be and belong to our classroom and our school. I have also spent time meeting all the other new students to the school ensuring they are all comfortable and settling into their new classrooms and developing relationships with their new peers.

I continue to develop and build strong relationships with the students, staff and families at CLGPS by being available when support is needed or been identified. I work with students 1 on 1 and small groups with a specific focus. I also run activities in the classrooms for example, last year I ran an activity in two year 5 classes. This activity was based on a true story called 'Silly Billy'. The story is about worries which gave students the opportunities to discuss what they considered to be worries to them. This story also gave us the insight, as to where worry dolls originated from. We then made our own worry dolls.

Some of the areas I work with students and their families could be around mental health (anxiety, depression) grief and loss, friendship issues and family separation/divorce. I look forward to continuing to work with families and students at CLGPS. I can be contacted via email [pamela.hansen31@schools.sa.edu.au](mailto:pamela.hansen31@schools.sa.edu.au) or on **Thursdays by phone on 8276 1523**.

## MEET VICKI KIRSS & LEARN HOW TO MAKE YOUR KIDS RESILIENT

Have you ever thought about how you may be able to build courage and resilience in your children?

When Vicki's daughter fell into depression after being bullied at school, she just couldn't stand by and watch. She searched for answers and was surprised at how few resources there were to avert bullying. She researched for the next three years and developed a program to unlock children's courage and resilience. Hear about Vicki's story and how to learn the steps to your child's resilience at our FREE seminars to meet the author.

### GiFT Dance at Mitcham

The GiFT Dance Program at Mitcham Girls High School offers girls the opportunity to develop their skills and passion for dance performance. Students develop creative, technical and physical understanding and an appreciation of dance as an art form.

With intensive and skilful coaching students become successful performers. Our GiFT Dance teacher is recognised as a leader in Dance Education. She has had professional experience with teaching expertise in ballet, contemporary dance and jazz dance technique, including choreography for musical theatre productions and national choirs. She has also played a significant role in the development of the SACE Dance curriculum and the management of Dance assessment in South Australia.

For those of you who love dance and want to share and develop your gift, GiFT Dance at Mitcham Girls High School is for you.
