

3 UPCOMING WORKSHOPS AT CLG

Maths at CLG – PARENT INFORMATION SESSION

This session is designed to help parents understand more about maths teaching and learning at Colonel Light Gardens Primary School, including:

- our approach to teaching maths – how and why we do what we do.
- the importance of mindsets and learning dispositions in maths and numeracy.
- the role of Natural Maths at CLG.
- how parents can support their children’s understandings of mathematics and help build positive attitudes around maths.

The morning will also be an opportunity to see practical examples of what happens in our classrooms, explore some of the resources that we use and ask questions.

KIDZBIZ – OVEREXPOSED AND UNDER-PREPARED

Monday 18th September at 6:30pm

At the recommendation of the Governing Council, CLG will be hosting an extremely important information session. Wendy Hill from Kidz Biz Education will be presenting a workshop called ‘**Overexposed & Under-prepared**’, which explores the impact that exposure to explicit imagery has on young people. The presentation also gives suggestions on how schools’ parents, grandparents, carers, guardians can respond and address the problems that ‘porn’ consumption and exposure creates. With the prevalence of social media, parents need to be alert and informed.
