*Dear Parents, carers, students and community friends,*

### TERM 4 BEGINS

Welcome back to term 4 and a busy 9 weeks. I would particularly like to welcome **Nicholas** in year 3, who has joined our school community.

### CONGRATULATIONS

In the last newsletter we shared a photo and information about the wonderful Festival Choir performance our students were involved in recently at the Entertainment Centre. Three of our students were also selected to perform a solo part at another one of the Festival Choir concerts. Congratulations to **Kiana, Marielle** and **Ruby** on your selection and performance. On the night, they sang their solo parts to the song 'One Voice' with beautiful, faultless harmonies in front of a huge crowd.

### PERMANENT APPOINTMENTS

Term 3 is always an important term in coordinating staffing for the following year. It has been exciting to work through the process of appointing teachers to 4 permanent teaching vacancies as well as a new Assistant Principal starting in 2018 for a 5-year tenure. For a number of these positions, we advertised these vacancies across the system and had 100's of applicants. Colonel Light Gardens is a highly sought-after location to work at and we had many outstanding applicants to choose from.

Teaching staff members and I formed panels for each position to work through the process of considering detailed written applications, shortlisting, contacting referees and even when needed, holding interviews. The whole process is extremely thorough and takes time, however it is well worth the effort in ensuring we appoint the very best teachers available. These new positions are jobs for the remainder of their career if they choose to stay at our school. I take the appointment of staff extremely seriously, as I know the difference that quality teachers make in the education and life of each and every student. We already have many amazing teachers at CLG and we have just appointed 4 more permanently to our school along with a new Assistant Principal.

### ASSISANT PRINCIPAL - PEDAGOGY & DIGITAL TECHNOLOGY

I am pleased to announce that **Penny Rowe** has been appointed for the next 5 years to the **Assistant Principal** position with a focus on Pedagogy and Digital Technology. Penny is currently a Senior Project Officer with the Digital Learning Branch of the Department of Education in Victoria. Prior to this role, which she has been in for 4 years, Penny was an eLearning and an ICT Coordinator at some large schools in Victoria. Penny is originally from SA and began her teaching career at Napperby, then Bordertown.

Penny is keen to return to SA with her family and is really pleased to have won this position. Penny comes highly recommended and the panel got a real sense of what she will bring to the position at the interview, which she flew over for.

## PRINCIPAL'S NEWS Cont...

### MICHELLE WYMAN

Michelle has been a contract teacher at CLG for the last 9 years filling both fulltime and part time roles over that period. Michelle is highly regarded by both her peers and the school community. Her caring and positive demeanor is appreciated by staff, students and parents. This year Michelle has been an integral part of the Reade building and has also taken on the role of Reading Support teacher. Michelle is an amazing teacher with a wonderful attitude and work ethic. Her curriculum knowledge is highly developed and her flexibility and team approach is highly valued. Permanency is long overdue.

### STEPHANIE COUTTS

After 4 years on contract at CLG and 7 years of teaching, I am thrilled to have Steph appointed permanently to our school. After teaching year 2 and 3 for a number of years, to broaden her experience, Steph has taken on the challenge of teaching Receptions this year and has done a wonderful job. Steph connects well with families and her students. She takes on additional responsibilities in the school and can always be relied upon to be part of extra-curricular activities. The knowledge, skills and experience that Steph brings to the school makes this a wonderful appointment.

### BELLE MADURO

Belle will be joining our staff after many years of teaching. After beginning her career at Coober Pedy, Belle won a position at Penola before returning to Cooper Pedy for the last 4 years. Belle comes highly recommended from her referees having taught most year levels including recently working in the primary years. For term 3 and 4 this year, Belle has taken on the role as Student Wellbeing Coordinator at her school. Her experience will be highly valued. Belle visited CLG last term and is looking forward to the move with her family back to the city. They recently purchased a home in the area and she will be bringing her children to CLG.

### RACHAEL CRAIG

After 5 years on contract at Rose Park Primary School and a number of job offers for next year, Rachael has accepted a permanent position at CLG. Her referees were glowing about her impact at the school and the relationships she develops with students. During her time at Rose Park, Rachael taught most year levels from year 3 to 7. This year she has been part of the year 6/7 team. I met with Rachael in the holidays when she came for a visit and her enthusiasm and knowledge was very impressive. She will be joining the upper primary team in Grange and brings a wealth of skills and experience to the role.

As you can tell, I am excited by the new appointees. I really enjoy this part of the role as principal as I know the difference a teacher can make. Getting these appointments right is essential in the work of a successful school.

## STUDENT PLACEMENT PROCESS

## ROOM 8'S OUTDOOR CLASSROOM DAY

Last term, I entered a contest to win a free excursion to Belair National Park to celebrate Outdoor Classroom Day (September 7th) with staff from Nature Play SA. Our class won a spot, along with 8 other classes from the Adelaide area.

Despite a little rain in the morning, we had a terrific time learning and exploring in the park. We played team-building games, built cubbies, and did some geocaching. We also spotted a koala, and a few kids even made it on the Channel 9 news that night. Many thanks to our parent volunteers for joining us... and to the parent who told me about the contest in the first place!

## CANTEEN NEWS

**Phew.....** Sports Day now behind us and I'd like to take the time to say a huge thank you to everyone who pitched in and helped on the day. The roster was very empty of names at the start of the day but many of you stepped up and helped which I am extremely grateful for. You may be unaware that **Kelly, Di** and myself were the only people I knew who could be available all day to work. Any other workers I could normally rely on for a big-time commitment were either unwell or otherwise busy. This unfortunately meant that **Kelly** and **Di** didn't get to see much of their children competing, but thank you so much to them for their help.

Food wise I think everything worked well as I have had no feedback to the contrary. We catered for 54% of students which is fantastic - thank you for your support. By taking a pop-up canteen closer to the action certainly increased sales not to mention work, but overall the cakes stall and canteen sales amounted to \$1500 (less the cost of purchased stock) - individual breakup of sales is not available as all money accidentally got combined.

In the week that followed, we had Japanese Day which we helped to celebrate by catering Sushi with a Pokemon toy. We had a remarkable response with sales of 29% of students - thank you again for your support. This special meal was again a struggle with lack of workers for the same reasons and I had to soldier on by myself. I trust everyone was happily satisfied.

The onset of hotter weather means higher demands for the things that would be cooling. I would really appreciate helpers for counter service of ice blocks please. This is only a 45 minute commitment of time. From 1.00 to 1.45pm on hot days the demand for sales of ice blocks over the counter in Term 4 and Term 1 can be quite overwhelming especially on my own. The quicker the sales are made the happier everyone is and the more we can hear what the children are ordering with decreased crowd noise. **Please, if you see that the days are going to be potentially hot and your calendar says you are commitment fee for an hour, give me a buzz on (8276 7232 ) and come hang with the out - it is a huge benefit to your children too.** *Thank you so much!*
