

After School Sport

Information for 2018 WINTER sport

Register at <https://www.trybooking.com/TMFJ>

Registrations are now open. **Registrations close Friday 9th March.**
Students not registered by this date will miss out.

Football

- Games are on Saturdays, trainings will be on a night chosen by the coach.
- Year 2/3 AFL football is a great introduction to the sport for boys or girls, it is good fun and a great way to get kids into footy
- Football is a team sport and it is great to see the older kids helping out the younger ones and it can develop friendships as well as teaching them to work together.
- Modified Rules are used for younger grades including; no tackle policy, coaches assistance on the ground to give pointers, specific zones to teach them where they should be on the ground, the ground and goal posts are smaller so they don't feel out of their depth
- It would be great to have some older teams this year as we have struggled for numbers in recent years.

Basketball

- Modified rules for younger grades to help the learning process. Emphasis is on having fun, learning skills and team work
- A uniform will be provided but children will need navy shorts without pockets.
- Games will be at either Marion or Pasadena Basketball stadiums
- Monday - Year 6/7 boys, girls and mixed
- Tuesday - Year 4/5 boys, girls and mixed
- Wednesday - Year 2/3 & 3/4 boys, girls and mixed
- Thursday - Year 5/6 mixed
- Players already registered and playing in Term 1 will not need to pay again but will need to register online again

Soccer

- 8 players are on the field in the under 8's and 9 in the under 9's, all other ages have 11 players on the field
- The field and goals are smaller than a standard soccer field for younger ages.
- Matches are played on a Saturday morning, usually around 9am at local schools
- Matches are 40-50mins minutes long with modified rules to keep the game going and get everyone involved.
- One training session will be held each week. Usually straight after school on a weeknight chosen by the coach.
- We are one of the largest soccer schools in our area with 7 teams last year
- The school provides a top and all training equipment. You need to provide black shorts and socks, shin guards, boots and a mouthguard.

Netball

- School netball is Played in Terms 2 & 3 and is all about fun, participation and playing with your friends
- There is no grading and all girls who wish to play will be placed in a team
- Games consist of four ten minute quarters and are played on Saturdays at 9am for Years 4-7 and 10.10am for Year 2/3s
- Games are played either at CLGPS or at other local schools in the area
- There is a training session one night per week after school for one hour. The night is decided by the coach
- The uniform for NETTA (Year 2/3s) consists of a maroon skirt and blue top. Players provide their own skirt and the school will provide the top (to be returned at the end of the season). Older students wear a netball dress provided by the school.
- Modified NETTA rules are used for Grades 2 and 3, including smaller ball, lower goals posts, 6 seconds to throw the ball and generosity on the stepping rule

Attention: All Parents

After school sports can only occur with lots of parental participation and positive support. Please keep the following in mind throughout the season:

- ❖ Coaches, managers and coordinators are parent volunteers. It is important that we support these people in their roles however possible.
- ❖ Each team must have a nominated coach before we will register them with an association to play
- ❖ No previous experience is required to coach, manage or coordinate a sport
- ❖ Coaches will determine which night training sessions will be held
- ❖ Teams will only be organised once coaches have volunteered and been confirmed
- ❖ Each team should have a manager to handle administration duties this assists the coach to focus on coaching
- ❖ Students will not necessarily be placed in a team with their friends. Formulating teams based on friendships would make it impossible! Team sports are a great way to expand friendship circles and meet new people.
- ❖ We currently require coordinators for **Soccer**, **Softball** and **Cricket**

Frequently Asked Questions

How do students register? Registration and fee payment are online. Registrations are now open, use the link on the top of this flyer. Payment is required at time of registration.

How much does it cost? Fees for 2018 are \$60 for most sports, \$20 for Basketball who also pay a weekly stadium fee. This covers things like team registration, umpire fees, replacement uniforms and an end of year break-up. Please speak to individual coordinators for more information.

What equipment is required? For most sports, basic equipment and part of the uniform is supplied. Some additional clothing and footwear may be required, depending on the sport.

How can I help? All teams require a coach and or manager. No previous experience is necessary and teams will not be able to play if they do not have a coach.

When is training? Most sports have a midweek training. Coaches will determine which night this will be held, based on their availability.

When do games begin? Most winter sports begin on the first or second weekend of May. However, wait to hear from your coaches / coordinators as teams can't begin before we have coaches and they are registered and organised.

Communication:

Once players are registered, coordinators will identify and contact coaches, team managers and then start to formulate teams. Once your child is placed in a team, you will be notified of your coach/manager. All communication from this point should be aimed at the coach / manager who will liaise with the coordinator and/or school contact.

If you have any pressing questions not answered on this page you may contact the appropriate Term 2/3 Coordinator:

Basketball – Jennifer Tirrell - basketball.clg@gmail.com

Netball – Elisa Holt / Brooke Hill – netball.clgps@gmail.com

Football – Nicole Gilchrist – football.clgps@gmail.com
