Dear Parents, carers, students and community friends,

HARMONY DAY

Come in your national costume or wearing orange

Harmony Day is coming next **Wednesday March 21st** and is an important part of the school calendar. Students at CLG are invited to celebrate the theme that 'Everyone Belongs'. It is wonderful to see our school is becoming more multi-cultural. This year we are inviting students with links to other countries and cultures to come dressed in their national costume or related clothing. As long as the weather is suitable we will have a **15 minute parade at 10.15am** to celebrate our diversity. If it is raining it will be cancelled.

All students are invited to come to school replacing part of the school uniform with something sun-safe in the Harmony Day colour of orange. It could be a shirt or shorts or even just a hair tie. This is not a casual day, it is an opportunity to celebrate cultural diversity. We don't expect families to buy new clothing to wear. If you wear an orange top, the shorts need to be the regular school uniform. If students don't have cultural connection clothing or anything orange to wear they will need to come dressed in their regular school uniform.

PARENT / TEACHER INTERVIEWS

Last week parent/teacher interviews were held for new Reception students. Our teachers shared their first impressions on how each of our 90 Reception students have settled into school and life as a fulltime student. The rest of the school are holding parent/teacher interviews in week 9 this term. Coming home soon will be the information required to book an interview with your child's class teacher. We encourage every parent and carer to attend an interview as it is key component of our reporting procedures at CLG. Booking will again be made through www.schoolinterviews.com.au. Thanks to the feedback we received last year, we have made a couple of adjustments, including not opening the bookings straight after the note is distributed, allowing working parents the opportunity to book at the same time as everyone else.

PARENT WORKSHOP

The parent workshop we had scheduled for earlier this term titled - 'Parenting: it's a marathon not a sprint' was cancelled due to the illness of the presenter Mat Haslett. I am pleased to advise it has been rescheduled for early next term on **Monday May 7th at 6.00pm**. The presentation will go for 45 minutes with another 15 minutes for questions. Mat is a DECD Behaviour Coach and is highly experienced in dealing with a host of complex issues in schools and has garnered a wealth of information to support parents and families. Bookings to attend are essential and will be via www.schoolinterviews.com.au with the code **jb23a**

SCHOOL VALUE AWARDS

Last Friday at our whole school assembly, we announced and congratulated the first recipients of the **CLG School Values Award** for 2018. This award is presented at each of the whole school assemblies.

The purpose of the award is to acknowledge and celebrate excellence. Teachers in every class in the school can nominate one student who has demonstrated the 3 school values of Respect, Care and Safety since the last whole school assembly. Specialist teachers can also nominate a student from any class across the school. This is an achievement not an encouragement award.

Each of the 3 school values has a number of layers that teachers have worked on unpacking with their classes. Our desire is for every student at CLG to learn about, develop, demonstrate and model each of these values. I would again like to congratulate the following students. We are extremely proud of their behaviour, attitude, work ethic and sense of community. Thank you for your contribution to our school.

SOCIAL MEDIA - please be aware

Already this year we have been made aware of 2 incidents of parents posting allegations of school yard issues on their social media platforms. On neither of these occasions was the school contacted about the alleged issues and when they were investigated the information posted was either half the story or completely incorrect.

I would like to reinforce that the school needs to be advised of issues or concerns happening at school so they can be addressed appropriately. If we don't know it is difficult to help. There is usually 2 or more sides to every issue and getting all of the information is important.

Make unsubstantiated claims about other students is not respectful and can have significant legal ramifications, not to mention the potential fall out in the yard. When parents get involved in their child's issues about another child, it usually doesn't end well. If your child comes home and shares a concern or issue, please ask them 'Did you report this to a teacher?' If they haven't then contact the school with your concerns.

LONG SERVICE LEAVE

After 34 years with the department, I have accrued a significant amount of long service leave. During that time I have only taken a few weeks of leave in total and a still have almost a year's worth of leave. When I arrived at CLG, I had a long term plan to take term 2 off this year, however that plan changed when Wayne Hunt retired. I will however be having the last 3 weeks of this term off as my wife and I visit our daughter, son-in-law and 4 of our grandchildren in the United States.

I am pleased to advise that the school will be left in the capable hands of Jodie Cunningham, who will act in the role for my 3 weeks of leave. Jodie will be supported by the other members of the leadership team and district office staff.

Kind regards

WHAT'S HAPPENING IN ROOM 18 ?

In Room 18, our reading and comprehension lessons have been focused on the novel *Matilda*, written by Roald Dahl. Over the past few weeks we have been completing tasks where students are to refer to the text and apply their understanding. Tasks have allowed students to think creatively and have a voice in what they think the writer was meaning.

This term room 18 have been reading the wonderful book *Matilda* by Roald Dahl. Some of the things I like about *Matilda* are, that she loves books and is independent. My favourite chapter is *Bruce bogtrotter and the cake* because I have a sweet tooth. - **Mary**

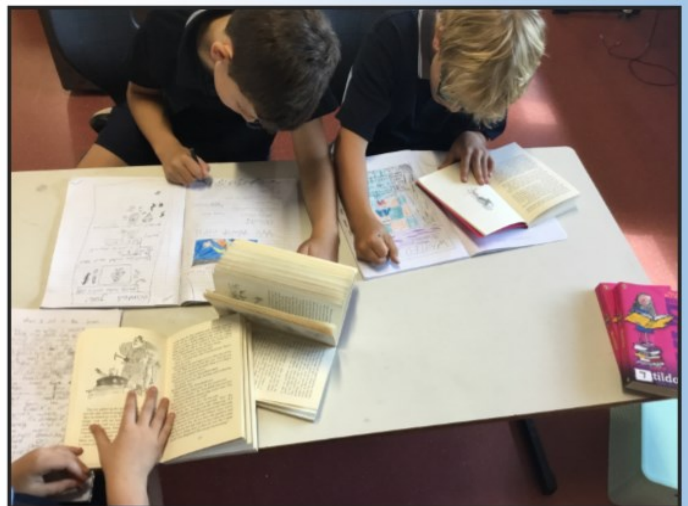

We have been listening and reading the book *Matilda* in our novel study lessons. I enjoyed reading the chapter 'The Trunchbull' because Miss Trunchbull is really mean and there is a really nice teacher called Miss Honey. Miss Honey is the best teacher in the school by far. - **Seb**

In our reading comprehension lessons, we are reading the book *Matilda* by Roald Dahl. My favorite chapter is *Bruce Bogtrotter and the cake*. I liked it when *Matilda* started to clap and then everyone else started to clap and *Bruce* started to eat quicker and went on to finish the entire cake. I have been working on and improving my reading comprehension skills. - **Issy**

In our reading compression we are focusing on the book *Matilda* by Roald Dahl. The chapter which I have enjoyed the most was 'Throwing the Hammer'. The skills I have been using in my reading compression/novel study lesson have been my listening and comprehension skills. In *Throwing the Hammer* my favorite part was when *Amanda Thripp* was thrown by Miss Trunchbull out into the air.

- **Jesse**

Matilda

By, Roald Dahl

In reading comprehension we have been focusing on the book *Matilda*. The book is very interesting and has a lot of information. My favorite chapter is 'The Ghost' my favorite part was when the parrot says "rattle my bones, rattle my bones." The skills we have been using in these tasks are listening/reading and writing. It has been very fun learning about *Matilda*, I can't wait to watch the movie. - **Milo**

Japan Junction - Where you'll find cool facts and info...

This week's introduction: *Sakura*

In 1899 the Australian cricket team wore “gum-tree green” and “wattle-gold” caps and blazers for the match of the Ashes in England. This became the origin of Australia's national colours and in 1984 (yes, it took 85 years!) the Governor-General, Sir Ninian Stephen established “Green and Gold of Golden wattle” as the national colours of Australia on advice from Bob Hawke. The Golden Wattle was officially proclaimed as the Floral Emblem of Australia in 1988, Australia's Bicentenary.

In Japan, Sakura (Cherry blossom or Japanese Cherry) is the national flower which provides a jaw-dropping stunning view of the soft pink flowers. It is seen everywhere from March to May depending on the regions of Japan. Every year people pay close attention to Japan's Meteorological Agency forecast (tracking the cherry blossom front as it moves northward up the Archipelago) and people turn out in large numbers at parks, shrines and temples with family and friends to hold flower-viewing parties (called 'Hanami') which was first recognized in the 3rd century to celebrate the arrival of spring.

There are other reasons that spring is an important season. March is the month of 'good bye' as school graduations are held and people retire. April is a month of 'new beginnings' as fiscal and school years both begin. In many parts of Japan the first day of work or school coincides with Sakura season. Most schools have Sakura trees in their yards and students in Japan feel embraced by the Sakura for these very special times each spring.

Sakura also represents the fragility and the beauty of life. It's a reminder that life is beautiful but that it is also sadly short. When Sakura blooms for a brief time each year in brilliant force (for about 10 days), they serve as a visual reminder of how precious and precarious life is. So, when Japanese people come together to view Sakura and marvel at its beauty, they aren't just thinking about the flowers themselves, but also about the larger meaning and deep cultural tradition.

I'd like to end with a snippet of this Digger's poem...

***“My mother's letter came to-day
And now my thoughts are far away,
For in between its pages lay
A little sprig of wattle”***

(A. H. Scott of the 4th Battery, Australian Field Artillery in 1916)

I salute spring in both countries.

Team work Tuesday is about working successfully in a team to try and improve the team work in our class. Every Tuesday afternoon we try to solve new and fun activities. We work in different teams each time and try to achieve a goal. Sometimes the challenges are timed and involve building and measuring. We enjoy Team work Tuesdays because its fun but also challenging.

CLGPS WELCOMES RACHAEL CRAIG

My name is Rachael Craig and I'm thrilled to be a part of the wonderful Colonel Light Gardens School community. This year I'm teaching year 5/6 in Room 9 in the Grange Building. I come to CLGPS from Rose Park Primary where I spent nearly 5 years relief teaching and on long-term contracts teaching across the school, spending most of my time in middle and upper primary. I have a Bachelor of Management (Human Resource Management) from the University of South Australia and a Postgraduate Diploma of Education from Bond University on the Gold Coast. I completed my first year of teaching in the Gold Coast before returning home to Adelaide to start a family. I have a gorgeous but cheeky 6 year old daughter, Scarlett who loves visiting CLGPS and playing on the fantastic playground at Mortlock Park.

As most of my teaching experience was in an International Baccalaureate Primary Years Programme (PYP) school I'm skilled in inquiry-based teaching practice and pedagogy. The opportunity to motivate and activate a love of learning within my students, excites me as an educator. In my classroom I design learning experiences which facilitate thinking, engage minds, cultivate questions, encourage risk and support productive struggle. I'm passionate about developing a supportive classroom culture where students feel safe to take risks with their learning. In my classroom, students develop as inquirers, they think globally and they are empowered to take ownership over their own learning.

I'm very excited to be a part of your school and want to thank all of my colleagues and parents who have made me feel so supported and a welcome. I'm looking forward to a wonderful year with my students and families in 2018.

2018 International Competitions and Assessments for Schools (ICAS)

Colonel Light Gardens Primary School is again offering students in Years 3 - 7 an opportunity to participate in the International Competitions and Assessments for Schools (ICAS) program for 2018.

ICAS assessments have taken place annually in schools for over thirty years and in twenty countries. Educational Assessment Australia (EAA), who design and deliver the assessments, is the not-for-profit arm of the University of New South Wales.

ICAS is:

- is an annual skills development assessment program in key areas of learning; assessments are available in a number of curriculum areas.
- gathers performance information through a 30 – 60 minute supervised in-school test
- provides a continuous, independent and comprehensive record of a student's performance
- enables the progress of each student to be mapped in each skill against their previous performance, demonstrating personal improvement no matter the starting point
- uses fellow students' results as a reference point; results are mapped against all students sitting the test at the same year level in Australia
- provides an excellent preparation for national testing
- enables students at all levels of ability to participate; ICAS contains questions designed to specifically explore the abilities of students of all standards
- medals are awarded to the top students in each subject in each school year in each state when sufficiently meritorious and the test was sat on the official test date
- achievement certificates are awarded to all students at a range of levels:
 1. **High Distinction to the top 1% of students**
 2. **Distinction to the next 10% of students**
 3. **Credit to the next 25% of students**
 4. **Merit to the next 10% of students**
 5. **Participation to all other students**
- results are available to parents and students online; these online reports and analyses remain available indefinitely. ICAS reports indicate which questions were answered correctly, compare student performance to that of the other students tested and are highly suitable for inclusion in a student's portfolio for future tertiary entrance or job opportunities
- entries are administered through the school, so teachers can also access the information

If you would like your child to participate in ICAS testing in 2018, please return the permission slip on the following page to the front office along with your payment OR pay online using BPOINT by **Thursday 22th March.**

To pay for ICAS online using BPOINT:

1. Go to our school website: <http://www.colgrdnspss.sa.edu.au>
2. Select **Parent Info**, click on **Online Payments**
3. Select the **Primary School Payments BPOINT** logo
4. If you know your **Family ID**, enter it. If not, enter your child's surname
5. In the box named **Family Name**, enter your child's full name
6. In the **Description**, write **ICAS** and the test you are paying for: *ICAS – English, maths and science*
7. Enter the total amount payable for all tests your child is completing

FINANCE NEWS

ANNUAL MATERIALS & SERVICES INVOICE (\$385:00)

The due date (Wednesday 28th February) for payment of all Materials & Services Fees has now past. Thank you to all those families who have paid in full, entered into a payment plan or submitted an application for School Card. To the remaining families who are yet to finalise their Materials & Services Fees, all unpaid portions are now past due. Please see **Stef Marston** (Business Manager) to arrange a payment plan if you are unable to finalise in full at present.

ANNUAL EXCURSION PREPAYMENT INVOICE (\$75:00)

The Excursion Prepayment Fee is a voluntary, not a mandatory payment option. ***Please note that the payment due date for this option is Friday 13th April (last day of term one).*** After this date, all unpaid Excursion Prepayment Invoices will be cancelled, meaning all families who have **NOT** taken up the prepayment option will be required to pay for excursion costs individually as they arise, as done in previous years, to enable their children to attend each planned excursion.

(N.B. the Excursion Prepayment Invoice can also be included in payment plans made for Materials & Services Fees.)

FINANCE WINDOW OPEN TIMES ARE CHANGING!

The parent body response to the introduction of the Annual Prepaid Excursion Fee has been positive and abundant, greatly reducing the time required for admin staff to be seated receipting payments at the finance window. With that in mind, the decision has been made to reduce the time that the finance window will remain open for cash payments. Currently the windows opens for cash payments from 8:30 - 11:30am, Monday - Friday.

As of Monday, March 19th the windows daily open times will reduce to 8:30 - 10:00am, Monday - Friday.

The early closure of the finance window only means we cease to accept cash payments at 10:00am, families are welcome to make card payments via EFTPOS at the front office, either in person or over the phone at any time during the school day... and don't forget that online payments via the school website is a 24 hour, 7 day a week convenient option for those who are unable to access other options.
