## SENTRAL FOR PARENTS APP

### We are pleased to launch our SENTRAL FOR PARENTS APP

A new communication tool between home and school. It will allow parents to access school information anywhere, anytime. We will be publishing newsletters, messages, calendars and forms through the app as a **one stop** shop for whole school communication to parents and families.

All parents will receive a letter next week with an access code to connect your login with your children enabling you to add reasons for absences, change personal contact details and in 2019 access reports and make payments. Please make sure that you have provided your email address to the school so that we can email out the instructions and welcome letter. All families can set up and register for the app now on any computer and then connect children once the welcome letter is sent home. To watch set up step by step instructions video click the play button above or go to <https://vimeo.com/270556778>.

*Dear Parents, carers, students and community friends,*

### SCHOOL CONCERT

Our end of year concert is approaching. I am sure it will be a special experience for all involved. I am excited to announce that this year we have received permission from the Mitcham Council to hold our concert in Mortlock Park. As we have been squeezed for space, I am hoping this change will make viewing much easier and allow room for families to spread out.

Classes have been really busy rehearsing their items for the night. Hopefully this year the weather will be kind. Although we have a bigger space we are still asking families to wait until after lunch playtime finishes to put out rugs and chairs etc. I appreciate your cooperation in this matter.

### 2019 CLASS STRUCTURES

The class placement process is almost completed. It has taken a lot of time and effort. Classes for 2019 will be announced on Friday of week 8 when placement slips and reports go home. I can advise the school community that we plan on starting with 26 classes. This involves (4) Reception classes, (3) year 1 classes, (1) year 1/2 class, (3) year 2 classes, (2) year 2/3 classes, (2) year 3 classes, (1) year 4 class, (3) year 4/5 classes, (2) year 5 classes, (2) year 6 classes, (2) year 6/7 classes and (1) year 7 class. Where there is a composite class, we have tried to structure it so at least half of the students are in the higher year level.

### SCHOOL VALUES SURVEY

As we prepare for the 2019 school year, I am seeking your input into our current school values. As I hope you are aware Colonel Light Gardens we have 3 articulated values of **RESPECT**, **CARE** and **SAFETY**. About 7 or 8 years ago, to determine these values, the school went through a significant process over a 2 year period involving staff, students and the school community.

We believe that having clearly articulated values which we aspire to and live by is essential. We promote and acknowledge these values in our classrooms, assemblies and our day to day interactions.

Since my arrival at CLG in 2016, I have been discussing with the staff, the Governing Council and other parent groups:

- the relevance of each of the current values
- how understood and embedded they are
- if they encompass all aspects of the CLG schooling experience
- if any of the values need to be adjusted or changed.

After surveying members of the Governing Council, the staff and students this year, the majority felt that the values of **RESPECT** and **CARE** are relevant and appropriate, however we are seeking your input into:

- the relevance of the third value - **SAFETY** - or if it should be changed to **RESPONSIBILITY**
- if we need to add a fourth value highlighting the importance of the **learning** and/or **achievement** focus we have at CLG.

If you would like to contribute to the survey please copy and paste the link below and answer the 4 questions by the end of the school year, so we can make a decision to move forward in 2019.

## PRINCIPAL'S NEWS Cont...

After winning the 'prize' at our recent quiz night, last Friday Olivia and Laura spent the whole day in their new roles as 'Principal of the Day'. They arrived dressed for the part, looking highly professional. They were presented with their CLG Principal badges and were assigned their offices for the day. Their day involved lots of 'Principal' jobs including:

- going on yard duty
- observing a lesson in a classroom
- finding 10 minutes, here and there to answer emails and make phone calls
- meeting with the executive assistant
- meeting with a new family wanting to enrol at CLG next year and giving them a tour
- supporting me in dealing with a disruptive student
- speaking at and presenting awards at our whole school assembly
- having lunch in the staffroom
- being involved in the 2019 SRC executive speeches and election process

They did such a good job, I had better watch out! Hopefully we can do it again next year.

**PRINCIPAL FOR A DAY!**

## 2019 LEADERSHIP POSITIONS

### DEPUTY PRINCIPAL - SUPPORT SERVICES

I am pleased to announce that **Brianna Frahn** has been appointed as the Deputy Principal at CLG for the next 3 years. Brianna is currently an Assistant Principal at Karoonda Area School and has had the opportunity to work in acting Deputy Principal and Principal roles at Karoonda and other local schools. Brianna's role will encompass many aspects of school leadership however it has a strong focus on overseeing the provision of all intervention programs and support services. Brianna wrote a high quality application, was extremely impressive in her interview and her referees could not speak more highly of her. We are thrilled to have her accept the Deputy Principal role at CLG. She will be visiting next week to meet the staff.

### ASSISTANT PRINCIPAL - STUDENT ENGAGEMENT AND WELLBEING

I am also very pleased to announce that **Simone Percy** has been appointed as an Assistant Principal next year with a focus on student engagement and wellbeing. This is a new role we have created at CLG for 2019 and will include building on the success we have experienced this year in trialing a number of support programs for students. We have instigated programs and allocated time to assist with a range of issues including self-regulation, anxiety, anger management, separation, resilience, and family dysfunction. The role may lead to other initiatives for any additional needs we identify.

## WHAT'S HAPPENING IN ROOMS 11 & 12 Cont...

We are learning about the History of places and people. Our guide, Trent told us about how plants and trees are useful for Aboriginal people living in the bush. We saw the 'Supermarket' tree, the 'Bunnings' tree and the 'Waterhole' tree. We explored the gardens too. It was a fantastic day.

# BYOD - PARENT INFORMATION SESSION

# BYOD

We invite the parents of all students moving into Year's 6 & 7 classes next year to come and join us for a Bring Your Own Device (BYOD) information session.

The aim of the BYOD program at Colonel Light Gardens Primary school is to provide 1-to-1 access to technology to support student learning. We believe that through the use of digital technologies we equip students to participate in a rapidly changing world where communication, collaboration and inquiry are increasingly transformed by technology.

The benefits of a Bring Your Own Device (BYOD) program in upper primary are:

- increased student participation due to better access to technology
- increased student driven learning, students have more control over their learning
- better student organisation with easy access to email, calendar and reminders
- personalised learning; students can choose which applications they use to complete investigations and thinking and are able to store all their work on one device, giving them access to their learning anytime and anywhere
- increased student responsibility, in caring for the device
- a better connection with home and school

Please come along to the information session to learn more about supporting your child with this device and to ask any questions that you may have about the program. For those parents who cannot make it we will send home information about the program in the next newsletter.

We look forward to seeing you there,

**Penny Rowe**  
*Assistant Principal*
