Dear Parents, carers, students and community friends,

2019 BEGINS

Welcome to the 2019 school year! I hope you had a relaxing and refreshing break as we begin another busy school year. I am pleased to report a really positive start when students returned to school on Tuesday including our new eager Reception students.

We are starting the year with **697** students in **26** classes. I would like to especially welcome the following **98** new Reception and **20** other students transferring from a few public and mostly private schools to Colonel Light Gardens.

Starting school for the first time in Reception we welcome:

Although these **118** students are new to the Colonel Light Gardens Primary School, many are not new to the CLG community as they have older siblings in the school. I look forward to working together in partnership with all of our families to make the schooling experience for every child positive and productive. Together we can achieve great things.

SOME EXCITING INNOVATIONS

At CLG we are always looking for opportunities to improve and develop. Over the last year, we have been working on a number of initiatives that will be rolled out this term. The first involves the way we will communicate with parents and carers with the introduction of the parent SENTRAL app.

SENTRAL is a one stop shop for school information, messages, newsletters, calendars, absence notifications and eventually school reports. A detailed letter will be coming home explaining what it is all about along with each family's unique code identifier.

Next week we will also be transitioning over to a brand new website with a much easier web address of www.clgps.sa.edu.au (instead of <http://www.colgrdnpsps.sa.edu.au>). Once it goes live, you will see it has a streamlined new look and feel. We are really pleased with how it is coming together.

ACQUAINTANCE NIGHT / VOLUNTEER INDUCTION LETTER

Hopefully you also received the back to back letter we sent home on Wednesday, outlining the arrangements for this year's Acquaintance nights along with the changes being made to Volunteering at CLG. Please read carefully and let me know if you have any questions.

Please contact me if I can assist you in any way.

PARENT PORTAL & APP

SENTRAL FOR PARENTS

HAVE YOU SET UP YOUR SENTRAL FOR PARENTS PORTAL YET?

We are pleased to relay to you that the SENTRAL for Parents Portal and App is now ready for use, a letter containing your **ACCESS KEY/S** to access information from the school and to link to your enrolled child/ren will be sent home on Monday 4th February.

There are two types of access key:

- 1.) a family key, gives access to every student within a given family and can be used by both parents on multiple devices
- 2.) a student key, can still be used on multiple devices but by only one user and gives access to a single student

Student keys are issued to blended families/separated parents for the protection of personal data of both parents within each given family. Blended/separated families may receive multiple **ACCESS KEYS** depending on how many enrolled children attend CLGPS.

For those families who have yet to set up their SENTRAL for Parents Portal and App, complete the following steps:

1. Go to <https://vimeo.com/270556778> and follow instructions to set up your SENTRAL for Parents Portal and App. The URL to register for access to the portal and to log into portal there-after is: <https://sentral.colgrdnsp.ssa.edu.au/portal>
2. Once registration and setup is complete you can continue on to the final step below.

For those families who have already set up their SENTRAL for Parents Portal and App, complete the following steps once you receive your letter:

1. From the menu click 'My Access' and then 'Add New Access Key'. Then enter your **ACCESS KEY** to enable your child/ren's details to be linked to your account. Please note that the **ACCESS KEY** is case sensitive so copy it into the box provided on screen, exactly as it appears in the letter.

MATERIALS & SERVICES / EXCURSION FEE INVOICES

All families have been invoiced for the Material and Services charge of \$400 for 2019 along with the Excursion Pre-Payment Fee of \$75.00 per student. Invoices went home between the 22nd & 24th January 2019.

It has been brought to our attention that there have been some delays in delivering the mail and a lot of families have not received their invoices and associated information/consent forms. We suggest waiting until Wednesday 6th February before contacting us to obtain copies as they seem to still be filtering through the snail mail system. Note that where there is more than one student in your family that attends CLGPS, some siblings may come in separate envelopes due to the way they were printed.

A reminder that the payment terms are 30 days. This means that parents must have either paid in full, submitted an instalment agreement OR applied for School Card within a month of receiving the invoice.

The preferred instalment plan is by Direct Debit (10 fortnightly payments of \$47.50 per student which includes the excursion pre-payment fee or \$40.00 per student for M&S only). Direct debits will be debited in bulk starting on the 22nd February 2019. Please ensure your form has been submitted to me prior to this date.

Families who may be eligible for School Card will need to submit a form which will be available either on www.sa.gov.au or hard copies are available from the front office.

So please consider, the canteen is in need of you, in return you will have some fun, meet other parents, delight your child/ren with your presence and help support our school community. **Times we are in need of volunteers are:**
